

FALL 2012 FUNDRAISER

JUST ARRIVED!

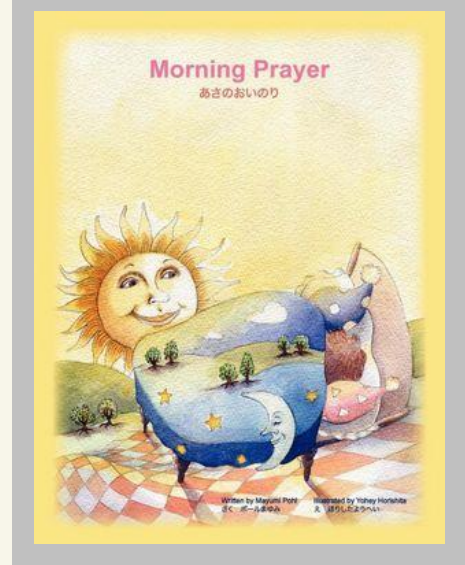

Dear friends,

We would like to let you know of a great ministry opportunity!

Mayumi Pohl, president of Second Level Ministry and mother of three, recently published her second bilingual children's book, **Morning Prayer**. Discovering a lack of Japanese Christian children's books, she set forth to provide a resource on a child's level that would instill an attitude of thankfulness and reverence towards God. She uses the words of prayers to help children establish a natural communication with our Lord!

Second Level is a discipleship ministry focused on adults and it relies on the generosity of others to provide materials and pay staff. We will use the sales of her books to help supplement the ministry. Here is an opportunity for you to participate in our fall fundraiser, and you can use this for your own children or as a gift for someone else. Thank you for your consideration.

** \$5 is used to defray costs; and all remaining contributions will support the discipling work of Second Level Ministry.*
