## Second Level Ministry Internship

*“Guiding your God-Given Passion to Reach Japanese”*

**Mission:** To equip disciples by providing an immersive disciple-making experience among the Japanese.

*Looking for:*

- Those who are interested in serving among the Japanese
- Those who are seeking the next step in their ministry life
- Those who want to be trained in cross-cultural disciple-making

### **(Internship Synopsis)**

**Did you know that the Japanese are the 2nd largest unreached people group in the world?** (YWAM Tokyo) “As you may already know, Japan is less than 1% Evangelical Christian and has been for decades, making it still the 2nd largest unreached people group (The Gospel hasn’t been shared) in the world!” (JEMS)

We have a great opportunity to serve God through serving others. Apply to our **5 Month Fall Internship** for those aspiring to make disciples among the Japanese. If you are an aspiring cross-cultural worker interested in reaching the unreached Japanese people group, and have a desire to grow as a mentor and multiplying disciple (Matthew 28:19-20 & 2 Timothy 2:2), we would love to have you experience our team!

This will be a low-cost internship that will provide opportunities to interact and spend time with Japanese college students and local ATL Japanese families. Our aim is to strategically develop friendships and relationships with the students and families. This will be a great way to gain exposure into doing Japanese ministry by joining as a member on our disciple making team. Interns will get to serve alongside full-time missionaries and disciple-makers gaining valuable Japanese cultural experience.

We want our interns to become future laborers to the Japanese by becoming equipped to make disciples through hands-on experience. We also want existing and potential Second Level mentors to have the opportunity to gain experience making disciples in community. You’ll get put

into practice Christian principles like prayer, building bridges, sowing seeds of the Gospel, and mentoring believers. We hope in your time with us that you will make a disciple of someone who has never heard of Jesus, Lord willing!

Dates: Start: **February 27th** (Monday) and Finish: **June 28th** (Sunday)

Required attendance at SLM Orientation - **2-27-20 to 3-4-20**

**Costs: Support raise minimum (\$150 see cost breakdown) Minimum/Base cost - \$1000 per month. You will be responsible to cover cost for Rent, Food, Gas, Spending money, Plane ticket (if flying), and Other bills (IE. Health Ins. Car Ins. Life Ins., etc.)**
